SITING APPROVAL OF A NEW )  
POLLUTION CONTROL FACILITY )

AFFIDAVIT OF COMPLIANCE WITH 415 ILCS 5/39.2(B)

CHARLES F. HELSTEN, being first duly sworn on oath, deposes and states as follows:

1. I am an attorney licensed to practice in the State of Illinois with my principal office located at 100 Park Avenue, Rockford, Illinois 61105.
2. I am one of the attorneys for Groot Industries, Inc., and it was my responsibility to prepare, publish and serve pre-filing notices as required in 415 ILCS 5/39.2(b).
3. 415 ILCS 5/39.2(b) requires that no later than fourteen (14) days prior to a request for location approval of a pollution control facility, the applicant shall cause written notice of such request to be served either in person or by registered mail, return receipt requested, on the owners of all property within the subject area not wholly owned by the applicant and on the owners of all property within 250 feet in each direction of the lot line of the subject property, said owners being such persons or entities which appear from the authentic tax records of the county in which such facility is to be located, provided, that the number of all feet occupied by all public roads, streets, alleys and other public ways shall be excluded in computing the 250 feet requirement, provided further that in no event shall this requirement exceed 400 feet, including public streets, alleys and other public ways. Section 39.2(b) further provides that such notice shall be served upon members of the General Assembly from the legislative district in which the proposed facility is located and shall be published in a newspaper of general circulation published in the county in which the site is located.

Section 39.2(b) further provides that such notice shall state the name and address of the applicant, the location of the proposed site, the nature and size of the development, the nature of the activity proposed, the probable life of the proposed activity, the date when the request for site approval will be submitted, and a description of the right of persons to comment on such request.

4. The Notice prepared and served in connection with the aforesaid requirement is attached hereto and made a part hereof as Exhibit A. Said Notice conforms to the requirements of Section 39.2(b).
5. I identified the names and addresses of all members of the General Assembly from the legislative district in which the proposed facility is located by using information publicly maintained and available on the Illinois General Assembly internet website ([www.ilga.gov](http://www.ilga.gov)).
6. Attorneys supporting me on this project and under my supervision spoke with Sheila Dvorak, Deputy for the Lake County Treasurer's Office. She confirmed on May 24, 2013 that the Treasurer's Office of Lake County maintains the "authentic tax records" for Lake County, and that those records are the basis upon which the real estate tax bills are prepared and sent. She also verified the following: 1) the Treasurer's Office receives its information from deeds recorded by the Lake County Recorder's Office, which are checked by the Lake County Mapping Department of the Recorder's Office and then placed into the computer system so that transfer information is available to the Treasurer's Office for updating its authentic tax record, and 2) if a taxpayer desires to change information concerning the address to which a tax bill is to be sent, the taxpayer must prove their ownership interest of the real property.
7. I caused a copy of the Notice to be published in the Lake County News Sun, a newspaper of general circulation in the county in which the application is pending on May 31, 2013. A

copy of the actual publication and proof of publication is attached hereto and made a part hereof as Exhibit B.

8. On May 7, 2013, I caused a search to be performed by Chicago Title Agency on the authentic computerized tax records of Lake County to ascertain the names and addresses of all owners of property within 400 feet, in every direction of the location of the subject property and reflected on the official tax maps, as most currently revised, excluding all public roads, streets, alleys and other public ways.
9. Attached hereto and made a part hereof as Exhibit C is the full and complete list of all individuals and entities which were sent pre-filing Notice pursuant to 415 ILCS 5/39.2(b). This includes all owners of property and members of the General Assembly who were entitled to Notice.
10. On May 29, 2013, certified mail Notices were sent to all individuals and entities set forth on Exhibit C. Copies of the certified mail receipts for all Notices are attached hereto and made a part hereof as Exhibit D.
11. On May 29, 2013 a Notice was sent to all individuals and entities set forth on Exhibit C by regular mail in addition to the certified noted in item (9) above.
12. On June 6, I caused the authentic computerized tax records of Lake County, to be searched again to verify that no changes or additions have occurred since the May 7, 2013 search. Additionally, on June 6, I caused a search of the last deeds of record on file with the Lake County Recorder of Deeds to check for property ownership changes which may have occurred since May 7, 2013.

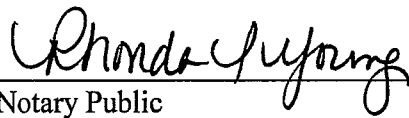

13. In accordance 415 ILCS 5/39.2(b), and based upon the further due diligence engaged in as set forth in paragraph 12 above, an additional certified mail Notice was sent on June 6, 2013 to those individuals and business which had not already returned a signed certified receipt based on the address which appeared from the authentic tax records of Lake County and for whom, on further research I was able to identify an additional address. Copies of those certified mail receipts are attached hereto and made a part hereof as Exhibit D-1.

14. The site application herein will be filed on June 21, 2013.

15. All of the foregoing complies fully and completely with the pre-filing notice requirements of 415 ILCS 5/39.2(b).

FURTHER AFFIANT SAYETH NOT.

SUBSCRIBED and SWORN to  
before me this 14th day of June, 2013.
